Dear Don,

After four years and numerous projects I wanted to take a moment to put down in black and white my appreciation and commendation of your work. Your staff has always been most professional and has been able to deal with the most difficult of problems and circumstances. Your company has always come through under the most pressured and difficult times.

Beyond your regular maintenance service and post-construction clean-up I commend you for your knowledge of treatment and maintenance of marble and limestone. On our estate homes your method of sealing limestone has saved a fortune in possible replacement costs.

I wish you continued success and look forward to a continuous relationship with your firm.

Sincerely,

Reggi Salzberg Hulkower
