To Whom It May Concern:

It is my pleasure to recommend Royal Care Services for all your natural stone restoration and maintenance needs. After working with RCS for many years on a variety of different projects both big and small, I have always found them to be both reliable and professional.

As a high-end luxury home builder, my company only engages the very best in subcontractors. I believe Royal Care Services is, indeed, one of the best.

Sincerely,

A handwritten signature in blue ink, appearing to read "Warren Selko". The signature is fluid and cursive, with a large initial "W" and "S".

Warren Selko, Vice President  
Selko Homes
