Letter of Recommendation
Re: Royal Care Services

To whom it may concern,

I am very pleased to assure any prospective client of Royal Care Services that you will be in the best of hands. The service is superior and professional.

Our marble was seriously damaged by the poor workmanship of another tile company and Royal Care was able to truly make it like new.

I am in the real estate business and I can assure you it is a rare event when a vendor truly stands out. This is the case with Mr. Harari and his company.

Sincerely,

Gil Priel
